Dear Friends,

Catholics @ the Capitol events will be held across the Commonwealth in the coming weeks. This is a great opportunity to prepare for connecting with your legislators, especially if you have not done so before or if you often feel unprepared to reach out to your elected officials. At each event, CCK staff will provide a full briefing on the main issues of concern in this year's session of the Kentucky General Assembly and will provide assistance in connecting you with your state senator and representative. Everyone is encouraged to attend.
