

**THIRTY-SECOND SUNDAY  
IN ORDINARY TIME**

**Reflection**...Both of the widows in today's readings put their health and very lives in jeopardy because they trusted God. When Elijah told the widow that her jar and jug would not be empty, it was probably hard for her to fathom. She knew how much she had and it was only enough for one more cake. Even so, she trusted. The second widow had very little money and what she did have, she gave to the ministry of her synagogue. She trusted that the money would be used for God's purposes. Jesus knew that she would go without something in her own life in order to offer this gift. In the end, her gift, as it would be counted in the treasury, was quite small; but in the realm of God's kingdom, she gave the most.

It was not so important what these widows gave as it was how they gave it. They gave without selfishness for the good of others. They put themselves in jeopardy in order to serve another person. On the brink of starvation, they risked their own health and even their lives in order to give to others. There is a significant similarity between their gift and the gift Jesus gave each of us. The widows offered their lives for God. Jesus offered his life for us.

**Two Special Ceremonies for young people of the parish**

At the 5 PM Mass on Saturday four Boy Scouts will receive the *Ad Altare Dei* Award. This award is given to Scouts who successfully complete projects that help them to understand the Sacraments of the Church and how they are lived in the every day life of Catholics.

At the 9:30 AM Mass on Sunday the young men and women of St. Joseph Parish who will be Confirmed on February 12 will be enrolled as candidates for Confirmation. This means they will commit themselves to prepare earnestly for Confirmation. They will make this public declaration; *"We affirm our loyalty to Jesus Christ and desire to serve as active members of the Christian community. We promise to spread the Good News by our words and actions, and by witnessing Jesus' mission for the Church."*

It is inspiring to see the young people of our parish making progress in their understanding of the Catholic faith and in their commitment to live the faith. Let us pray for them and their parents, who are the primary teachers of the faith.

**USCCB & HEALTH CARE REFORM BILL ...**

Congress is preparing to debate health care reform legislation. The Catholic Bishops of the United States strongly support genuine health care reform that protects the life and dignity of all, from the moment of conception until natural death. However, all current bills are seriously deficient on abortion and conscience rights, and do not yet provide adequate access to health care for immigrants and the poor.

In our bulletin today, you'll find a special bulletin insert from the US Bishops Conference asking you to please contact your Representative and Senators immediately and urge them to fix these bills with pro-life amendments. The bulletin flier includes a web address that allows you to send an email message to Congress with a click of a button. The bishop and asked for our swift action and the commitment of our prayers for this critical effort. Thank you for your help. We can help make sure that health reform will be about saving lives, not destroying them.
