Alleluia! Alleluia! Alleluia!

Our Lord and Savior, Jesus Christ, has conquered sin and death, and raised us to new life with him.

We know the story of Easter and all its detail; the stone rolled back, the burial cloths folded up in a corner, the women who were the first witnesses, the disciples who raced back from Emmaus to Jerusalem.

Even so, the Easter story is still being told and lived. We also look into the tomb and see that Jesus is not found among the dead. We recognize Jesus in the breaking of the bread, as at Emmaus. When we hear the good news, we hurry to share it with others.

Easter is not a one-day-a-year event. It is a way of life that shares our resurrected Lord with others by celebrating His presence in the Sacraments, by bringing blessings to others by lives of service, and by our words and deeds giving witness to our Christian lives. In these ways, and many others, we let the world know that Jesus is alive and among us.

Whether you are here every Sunday or at Mass today for the first time in a long time, we are sincerely grateful for your presence. You help us to praise God and to rejoice in his presence in the Sacred Word and Eucharist.

Easter is still happening today in all of us. In our worship of God, our service to those who need us and in our community with one another, we proclaim Jesus Christ is raised from the dead and raises us to new life with him.

We sincerely wish you a blessed Easter celebration today and every day.
