**SPIRITUAL ADOPTION -**

Thank you for praying!  
 Here's what's happening this month...

**First Month:** At fertilization a new human life begins, complete with his or her own unique set of DNA, which is present from the first day of life. The new little person's sex is also determined from the beginning. During this first amazing month of life the baby grows to 10,000 times his size at conception. By the third week the baby's heart begins to beat.

**THE NEW GUIDE BOOK 2010 ADDRESS & PHONE BOOK DIRECTORY** is complete and should be arriving by mail to all parishioners within the next week.

**ANOTHER 2009 Diocesan Parish Annual Appeal Rebate**

This past week the parish received another \$2,832 rebate from last year's DPAA. Two weeks ago it was reported that \$2,889 was rebated. This means that \$5,721 has been returned to the parish for improvements to our facilities.

As we start another DPAA process, let's remember that the parish community's generosity is returned to it in through the good works done in our name; healing the broken, feeding the hungry, teaching the faith, supporting those who desire to minister as deacons and priests and in innumerable other ways. While it is good to receive a portion of our gift back for our use, it is an honor and a blessing to contribute to the life of the Church in the Diocese of Covington.

**STEWARDSHIP THANK YOU!!**

George and Sharon Everett have been conscientiously minding the brochure racks in the church. They check to see which brochures needs to be replenished, which are out of season, which ones parishioners may find helpful and which brochures have been requested.

Now they have agreed to provide the same service for the parish with the Lighthouse Catholic Media kiosk of cds in the main vestibule.

We greatly appreciate their donation of time and effort for the benefit of the whole parish and visitors to our church. Let's keep George and Sharon busy by making use of these materials that enrich our knowledge and practice of the Catholic faith. There is bound to be a brochure or CD you will find interesting and helpful. You might also find something you'd like to pass on to a friend or family member. Thank you George and Sharon!

**ADOPT-A-STUDENT**...April is one of the Adopt-A-Student collection months, the green envelope can be found in your monthly packet. Any size donation is always appreciated. During these difficult times a catholic Education may be a cost too great for some members of our parish. Your donation can make this worthwhile investment more manageable. For those in need. Thank you for your kindness and generosity.
